

SEMARA BEACH HOUSE BERAWA

Semara Beach House.
The elegant white
painted homestead.

The magnificent Gajah Putih villa on Berawa Beach has been an icon of luxury living and rental accommodation in Bali for over 20 years. Recently acquired by the Semara Group and entirely renovated, it has been put back on the rental and wedding venue market and renamed Semara Beach House. The new moniker sums up the property perfectly as the white painted expansive homestead overlooking the Indian Ocean has the feel of a casual beach house but with all the luxury and space a holiday maker could ever imagine.

The seven bedroom mega-villa, set on 1.33 hectares, features spacious bedrooms, all with private open-air, en-suite bathrooms, air conditioning and ceiling fans. Most bathrooms have double vanity sinks, double showers, a large bathtub, and bidets, and each bedroom has at least one glass wall overlooking the ocean or gardens of the property. The villa can have eight bedrooms when converting the property's media room to a bedroom. 22 people can easily sleep

in Semara Beach House. Two or three families, or a multitude of couples can rent this classic residence, and being right on the beach at Berawa means they are never far from the action that neighbouring Seminyak or the now popular Batu Bolong offer. A quick dip in the ocean or the expansive swimming pool is easily accessible too.

The Homestead.
Beautifully finished, all
white with spacious interiors.

Having a sweeping grassed area all the way to the beach directly in front of the homestead makes Semara Beach House ideal for the most romantic wedding imaginable. An intimate wedding pavilion is set right on the beach front with a beautiful lawn rolling out before it that can be the ideal setting for up to 300 guests. Event managers, professional catering, and excellent entertainment can be provided for the tailor-made wedding event.

The Semara Beach House has had a new lease of life since renovations and clearing the garden all the way to the beach has given it unprecedented views to the ocean. The glistening white facades and interiors have lifted the villa to a whole new level of sophistication and beachside style and with opening rates until the end of March being US\$ 1,980 ++ per night or from as little as US\$ 110 ++ per person per night, Semara Beach House is an excellent option for your next Bali getaway or lavish beachside wedding.
